Dear Mr Wesley,

So that you know this letter, as with all that I do, will be published on the YouTube for the entire world to see and be the judge. It has also been sent to Frank, the Director of Immigration, the Office of Foreign affairs and the Australian High Commissioner and the Minister for Health.

I am sending you information directly, now that your paper has broken the silence about our presence in Fiji I thought that you should be availed of the knowledge that many already have in this nation.

Firstly, I lay down a challenge to all of the heads of the Churches in Fiji and any nation of the world to meet with me at one time, any time, anywhere publicly, and I will debate them all, the thousands of them against Me, internationally televised and then let the people vote. I can assure you I will slay them with My first breath, no one can out think God.

Should they not have the courage to meet with me, I will sue the idiots quoted in the article who without knowing Me have blasphemed Me by suggesting I am a false prophet. All of their knowledge they have gained from the reading of the Freemason bible, the King James Version 1611 and its entire offspring, quoting what I was supposed to have said, they are completely devoured and are Antichrist as are all heads of churches.

As for the people of Fiji they have been praying for Jesus to come, and when a man does come who says He is Jesus and proves it, he gets slammed by devils in high places who have not met him.

Nothing has changed from the days of the crucifixion, it was the same devils in high places who nailed Me to the cross then.

The crucifixion by the way was the 3rd April 33 AD and my birth as Jesus was the 17th June 2 BC, so you tell me who everyone is worshiping on their high holy days of Easter and Christmas, I can assure you it is not the Lord Jesus Christ, it is the body of Lucifer with the mask of Jesus hung on it and I am sick to death of it and unless you print the Truth I will sue this paper and the Churches for misrepresenting Me to the people of the world.

As evidence, the interview with the reporter who approached us from the Fiji times was recorded on film, and in the reviewing of it, what is obvious, is that nothing I did say was printed by your paper. The reporter told us that there is a ten year jail sentence for misreporting what has been said and that it was censored by the army before going to print.

We made it perfectly clear we did not want to talk about the Judas who sparked the issue with immigration, who by the way was expelled from the village as the Roko, he was from a foreign village and the village people were so angry with he and his wife they were evicted and told to go back to their own village and the position of Roko had been filled with one of their own. For us, the issue had been settled having just found out from immigration their decision the day before your reporter came sniffing around. So my wife gave the reporter the very much bigger story that Frank has been sitting on.

I film everything I do and say, so there can be no misrepresentation of My words today as there has been of My words as Jesus down through the ages. Do you get the parallel Mr Wesley?

Your reporter could not get straight anything I said within days of her reporting, so how in the hell do you expect my words as Jesus to have been recorded accurately when there were NO reporters in those days and the works drawn upon for the FREEMASON bible were put together 200 years after the events. If I had a video camera in those days, the world would not be in the shit it is today and is it any wonder Frank has to censor what the papers report, I support him 100%.

Secondly, Frank, the President and Colonel Pio were each sent 33 pages of faxes on October 25th 2010 making them aware of the greatest deception of all mankind and how it is that as Yahweh, the Creator, the Lord Jesus Christ I am back, and how I set about revealing all knowledge through the measuring of the earth which is my temple and the reason for My subsequent visit to Fiji in November 2010..

My wife and I spent 40 minutes with Major Rokoura who had no trouble believing the evidence we presented to him for Frank at Nadi airport the morning that Frank came back from China. The Major's intention was to make an appointment for Frank with us. That did not happen.

All of those in positions of power who oppose Me will be judged during the next 598 days and unless they repent they will die throughout those days. The false prophets and Christs are all of the churches that come preaching in My name and the many Popes who call himself the vicar of Christ and yes,

they have already deceived the many. The shroud of Turin bears my image easily discerned by the ones who take the time to study the mountains of evidence I have presented to the world for decades.

I warned Frank on April 15th that if I leave this nation I have chosen to inherit My Kingdom, because of some regulation that the people at immigration say we have contravened, then he will no longer have the protection of My angels, that goes for all in authority who have been informed of the Truth and includes you Mr Wesley and the director of Immigration.

Ask yourself Mr Wesley, what kind of permit would you have required of me as Jesus when I went about doing the work of the Father, healing the sick and speaking the Truth. As the Father this time I do the same, so what has changed? I was nailed to a cross then and today I am nailed by the pathetic laws of man that say when Almighty God comes back he cannot speak Truth or heal people unless he has a permit because that is your procedure.

Frank could have averted all this because he has had the knowledge since October of Who I Am and the purpose for our coming to Fiji and chose to hold it back for his own reasons. It matters not what a person believes, it does not change the fact of My return, it is not an election and the people, My people have a right to know the whole Truth.

I have come for the sick and the meek, not the church authorities but the humble, and the ones whose lives are made difficult by the wrong teaching of the churches that all belong to Satan.

The meek have no trouble believing the Truth; the others who cry false prophet without even meeting Me and learning from Me are the ignorant, arrogant and devoured, the Pharisees, the walking dead in this time of the resurrection.

I am fed up with the stupidity of the people at the Fiji Times.

Ioane Buresse knowing who we are, had an appointment with us on Saturday December the 18th 2010 at 11.00 am, we rented a car for 3 days to make the trip to Suva from Denarau Island. He did not show up for his appointment and 3 days later we find out his lame excuse was that he got angry with me when he was sent a report that I had been charged with fraud in Australia. The great journalist that he is not, stupidly fell for the oldest trick in the book by ASIO and instead of seeking the Truth like any journalist should have, he got angry and so did not turn up.

Saturday's publication confirms the stupidity of the church authorities in this nation, "the church in Fiji has worked hard over the many years to bring Fiji to where it is today and to have a couple come to Fiji to relay such a message is just not acceptable".

So just what is my message "well done people of Fiji, you have won the prize, because of the righteousness of Frank who rules like Me, and your faith and love for each other and God means that I have chosen you of all of the nations on the earth, to inherit the earth, and become the Kingdom of God which comes to the earth as you have been praying every time you have said the Lord's prayer."

Do you not realise or are you too stupid??? to realise that the Fiji Times is being given the opportunity to publish the greatest and biggest story in history, which by the way is His Story, yes it is all about Me, the Creator, and the rejection by all mankind because Lucifer, the Western

nations has been very successful in deceiving the masses through it's book being read in the churches today.

I have little time for fools Mr Wesley, as we waste time now, people in this nation are dying or getting their limbs chopped off through amputation when diabetes type II is reversed using the protocol for good health that my wife and I brought here for the nations healing.

Make no mistake I am not here for white people, they are consumed by the devil and I have judged them. I said the meek will inherit the earth; the white west is responsible through Britain and the USA for all of the obscene profanities within my temple, the earth. The abomination of desolation is the white nations preaching from their bibles. Who has healed the sick or preached of My return?? I have been here since January 11th 1944... NONE! NOT ONE PERSON WORTH SAVING.

The Bible in Stone is the Great Pyramid, My Altar, as referred to in Isaiah 19:19&20, 5000 years old built by the descendants of Noah, not the Egyptians, they were stupid and had no alphabet or numbers. How would they write Pi? A pig running away with a sword stuck in its arse??

Noah means knowledge. The Pyramid pre dates all religion and is a prophecy of the return of Myself at the time of the end, into Egypt which is symbolic for the wilderness or where God is not. That today is the earth; **the earth is the world of the dead.**

The world of the dead Mr Wesley, yes you are all in hell. I have come to wake you all up and set the captives free and release them from their chains of bondage to Lucifer's religions and world system that kills and destroys my offspring, made in our image.

We are in the last 598 days, before the Great and Terrible Day of the Lord. The Western world is already being judged and in tribulation because of their rejection of the Lord Jesus Christ, the prophecy of the stone that the builders rejected, Psalm 118:22 and Matthew 21:42, the builders are the Freemasons who control all churches and governments through covert means. John F Kennedy was shot dead after he appealed to the American people to fight the secret societies that are opposed to the people who had a right to live free and independent lives, and he was going to print their own money which I have already told Frank to do.

I told Frank that I had chosen Fiji as the Gentile Nation of the end times that would inherit My Kingdom of God which comes to the earth, and that He was my chosen leader for this nation since He is the only leader on the earth that rules the way I would do. That is why we are here.

It is all good news for Fiji and naturally we have told many of the people brought into our lives the Truth.

The Truth I said would set you free.

My gift to mankind was to pour out myself, My Soul into all mankind that is why I went to the cross, My death meant life and immortality on the earth for all mankind, including the Hindi.

So it is that Almighty God is weakened through pouring Himself out into all life, His gift of Life, and so it is, when He returns as the most royal man alive, the genetic offspring of David the root of Jesse,

He finds Lucifer has stolen His vineyard and His children through its book preached in the churches and hence the fulfilment of the rejection prophecies mentioned above.

So let me ask you Mr Wesley, are you prepared to devote your time to reviewing the mountains of evidence that I have as demonstrable facts of My name in every part of the Creation. It is for the intelligent mind to even begin to comprehend the mind of God, My mind, is that you?

Or will you join the rest of humanity working for Lucifer and be too busy?

You are still targeted for death by the world order since you are made in the image of God no matter what you believe, Lucifer is intent on killing all humanity the Freemasons, Christians, Zionist Jews, the Khazar Jews, Muslims, Lucifer Illuminati families, Satanists, atheists, doesn't matter what they call themselves December 20th 2012 is their target date as it is mine, unless they repent it is their deadline for being cast off the earth by the reaping angels, into the bottomless pit.

Time is short and “unless those days are shortened there will be no flesh left to save” were My words as Jesus for this time now.

The days will be shortened when one nation publicly receives Me as the returned Christ, there are five Island nations in the South Seas, David had 5 stones in his pouch, it was the first stone he pulled out that slew Goliath, will that stone be Fiji?

Jerusalem was destroyed as I warned it would be, Jerusalem today is the earth, all it will take is one intelligent man who comprehends and has the guts to do what I tell him to do to prevent it.

“If you love me you will obey me”, My words, the question is which Jesus do you love, the bullshit spirit god that Lucifer has sold you or the flesh and blood man who went through the agony of the cross so that you could live, the very same man writing to you now.

To this point in all of time, the only person to have ever loved Me and obeyed, was and is My wife who was Martha Magdalene, she was 82 days pregnant at the cross with my twin boys.

There were no men at the cross. Martha reincarnated into Janelle Margaret Golightly Marshall, my wife today who is still the only one on the earth who loves and obeys Me.

She alone has the guts to do and say what needs to be done and said for the salvation of the world.

She was escorted out of the office of the commissioner of the North because of having a private conversation with a woman about Me.

The man doing the escorting, called Tui is a Methodist pastor, he caused a group of gutless wonders called men to laugh, scoff and jeer at her in public pointing at her mocking, he then walked off with others laughing in the mean time telling all he came across that there was a crazy woman saying she was Martha Magdalene and her husband was Jesus Christ who was coming to get her. There were 2 men at that gathering, they came beside Martha and told her they believed and wanted to know the Truth.

So you see Mr Wesley, just as Lucifer spread the name of Jesus Christ throughout the world it is spreading the news of My return in Fiji today. The west already knows I am here.

Salvation depends upon believing My words today, the double edged sword are the words from My mouth as Jesus and now as Yahweh the Father back for the judgement.

Yes Mr Wesley, reincarnation is a fact and the knowledge of it has been removed from Lucifer's book to deceive you. The conversation I had with Nicodemus was a lengthy one explaining all about the reincarnation of the soul many times unto perfection until the time of the end, when paradise and immortality comes to be lived out on the earth by all of those who have reached the perfection of their souls when they believe my words today.

If you have any amount of intelligence the only question you will be asking yourself is how soon you can get here to meet with us and learn the Truth. You come to us, we are not going to you.

When you do and you do what I tell you to, you will establish Fiji and the Fiji Times as the salvation of the world in this marvellous drama unfolding upon the earth in My Story.

The choice to do good is the only reason for having free will.
